

Year 13 results Day FAQ

Results day will be different this year! We will be asking students to come in at different times to collect their results and then go home to celebrate. Staff will not be in school (they would usually choose to come in to see you all). This is because we need to minimise contact and the number of people on site at any one time. Please have a look at the FAQ below. We hope it helps sign post you to the correct person.

My results are good and I am happy with the outcome.

- Well done. You should be proud that your work before lockdown contributed to your teachers predicting you these grades. Go home and have a much deserved celebration with your family

I have changed my mind / my results are better than expected, can I re-apply to UCAS?

- Yes you can apply through clearing. Go home and have a look on the UCAS website to see what is available. Book an appointment to come into school to meet with Ms Bestic from 12 noon if you need help with decisions and advice on the procedure.

What do I do if my results are not as I expected?

- If you have been offered a place at your chosen University, apprenticeship or job then move forward and take it!
- If you think you might want to retake your A levels in the autumn term or next summer and delay moving forward for a year. Book an appointment to see Mrs Calloway. At the time of writing the most recent update stated:

We are able to confirm that we will be offering all of the UK regulated GCSE and GCE, AS/A Level qualifications that were available in Summer 2020 in an exceptional Autumn series. With the exception of Art and Design, grades will be based on exam performance alone, with no non-exam assessment (NEA). Although timetables are still being finalised, we are aiming for GCE AS and A levels to be held in October and GCSEs in November.

- If you would like to meet with Ms Bestic to discuss your career options then please book an appointment. Instructions below

Can I get a remark / raise a complaint?

- You are only able to challenge your grade if you think there has been an administrative error. Clearly since papers have not been marked, there can be no remark. This is what OFQUAL has published.
Appeals – appeals will be allowed where a centre believes it made an error when submitting its information, or if it believes an exam board made a mistake when calculating, assigning or communicating a grade.
- Further information and guidance from Ofqual can be found on our school website:
<https://www.cedarsupper.org.uk/Examinations/>
- Book an appointment with Mrs Ferguson-Moore or Mr Palmer if you would like to discuss your given grades or wish to discuss the process.

How do I get an appointment to see someone?

- Appointments can be booked via <https://cedars.schoolcloud.co.uk/>. Please book to see each member of staff based on the reason for the appointment. The booking system will open at 9 am on 13th August. Appointments will start at 12 noon.
- Each appointment will be allocated 10 minutes to allow for social distancing and hand sanitising.
- Only one parent should accompany each student

- If you have any other questions that do not require a face to face meeting, please email the member of staff dealing with your query.
